

SuperTred™ Scraper Mats

First line of defense in our Managed Floor Care System

Scraper Mats are specifically engineered to trap larger dirt and moisture such as mud, pebbles, ice and other large debris at the base of the mat.

Features

- 100% heavy nitrile rubber
- Mainly for outdoor use but can be used indoor
- Style: plain, "Welcome" or customized logo
- Color: black

Benefits

- Keeps dirt and moisture from entering your facility to provide a cleaner appearance.
- Constructed of the strongest and most durable materials in the market ensuring longer product life.
- SuperTred™ mats are oil and solvent resistant and durable enough to be washed in industrial laundries.
- Our managed floor care program better controls costs, protects your facility and provides a safer, cleaner facility for your employees and visitors.
