

# Accident Prevention Mats

*Identify Safety and Hazardous Areas*

*With a wide variety of safety messages available, customize your wipe mats to protect floors while alerting employees and visitors of hazards.*

## **Features**

- Synthetic fibers and heavy rubber backing
- Computer-directed, dye-injected 400 dpi graphic designs
- Stock safety message mats provide bi-directional wording for easy readability
- Multiple messages randomly circulated

## **Benefits**

- Durable construction holds up to substantial, intense or harsh traffic.
- Special fiber process ensures the mat maintains its color and design.
- Our managed floor care program better controls costs, protects your facility and provides a safer, cleaner facility for your employees and visitors.
