

Sorblits® FlatSocks™

The unique design of FlatSocks™ provides the flexibility needed when placing these absorbent socks in tight spots or against the floor under machinery to get at the source.

Features

- Absorbent and durable polyester/cotton construction
- Flexible design to fit multiple applications
- 4.5" x 30" absorbs 1/2 gallon
- Reusable/Launderable
- Environmentally Preferred Cleaning Process

Benefits

- Designed to lay flat for better coverage with a flexible construction to fit multiple applications.
- Prevents slippery conditions that often form around machinery.
- Ideal for tight spaces and for keeping fluids from migrating and causing unsafe conditions.
- Reusable products assist in environmental sustainability by meeting ISO 14001 goals and contributing to waste reduction projects.
