

Sorblits® Quilted Pads

In addition to the Sorblits® highly absorbent material, the quilted design provides additional strength and overall durability.

Features

- Composed of a natural cellulose fiber on the outside with a polyester fill.
- Standard size absorbs 1 quart, large absorbs 1 gallon, and extra large absorbs 3.5 gallons
- Reusable/Laundryable
- Environmentally Preferred Cleaning Process

Benefits

- The flexible nature of the product allows for multiple applications making it the most versatile in the Sorblits® family of products.
- Great for quick pick-up use and/or bench top protection.
- Reusable products assist in environmental sustainability by meeting ISO 14001 goals and contributing to waste reduction projects.
