

SorbIts® Ultra HiTech

The Ultra HiTech is designed for larger customers in need of a no-lint, high-performance product.

Features

- 100 % microfiber synthetic materials
- Virtually lint free
- Reusable/Laundryable
- Environmentally Preferred Cleaning Process

Benefits

- Microfiber material removes fine particulate matter.
- Ultras are polywrapped to keep them clean until ready for use.
- The unique cleaning process recovers solvents and accurately records the data for customer use in environmental reporting.
- Reusable products assist in environmental sustainability by meeting ISO 14001 goals and contributing to waste reduction projects.
