

# Mirus™ ... A New Towel

*ITU's Innovative Product for the High-End Printing Industry*

*Highly absorbent and extremely low linting, use this newest member of our SorbIts® Ultra family for wiping screens, beds and rollers on presses.*

## **Features**

- Exceptional Absorbency
- Extremely Low Lint
- Reusable/Laundryable
- Environmentally Preferred Cleaning Process

## **Benefits**

- Exceptionally absorbent man-made material absorbs more liquid than typical print towels which reduces cleanup time.
- Being extremely low lint eliminates print quality concerns.
- Mirus™ towels are polywrapped to keep them clean until ready for use.
- The unique cleaning process recovers solvents and accurately records the data for customer use in environmental reporting.
- Reusable products assist in environmental sustainability by meeting ISO 14001 goals and contributing to waste reduction projects.
